For the past three months Washoe County Sheriff Detectives have been investigating the disappearance of a local 36 year old Reno man, Nathan Byrns, last seen in September of 2003.

The investigation has led to human remains located in a remote area of Washoe County. Through dental records these remains have been identified as that of Nathan Byrns.

Sheriff Detectives are investigating this as a homicide. Nathan is survived by his two parents, brother, and his daughter.

Sheriff Detectives are asking for anyone who knew Nathan or has any information on this case to call Washoe County Sheriff Detectives at 328-3320 or Secret Witness at 322-4900.
