## **Public Viewing of Recovered Stolen Property**

---

On July 8, 2010, Washoe County Sheriff's Deputies responded to a report of a suspicious vehicle parked in a "No Parking" zone in Sun Valley. Deputies arrived and found a male subject lying down inside the vehicle. After speaking with the subject and looking around the immediate area, a Deputy located several items which were later determined to have been stolen from numerous burglaries in the area.

A Washoe County Deputy placed Christopher Buttz, 18 – resident of Carson City/Bk #10-12486, under arrest for possession of stolen property. Further investigation lead to the recovery of additional stolen property from at least four residential burglaries. Detectives from Washoe County, Reno Police Department, Douglas County Sheriff's Office, Carson City Sheriff's Office, and Sparks Police Department developed information on additional suspects. Carson City Sheriff's Office served a search warrant at one suspect's residence, resulting in the recovery of hundreds of items, linked to burglaries in all five jurisdictions.

In an effort to identify additional victims and return the stolen property, the Carson City Sheriff's Office is conducting a public viewing of all the items recovered. If you have been a victim of a burglary in the past several months, you are invited to a public showing of the recovered property. **You must provide a Case Number from your reporting agency to attend the viewing.**
