---

Nicholas Edward Sanchez, who escaped from custody by running away from the hospital last night, has been located and apprehended. Detectives received a tip that led to a home in west Reno where Sanchez was found and arrested without incident.

“This is a great example of the public and law enforcement working together,” said Sheriff Michael Haley, “we are pleased that he was found quickly and unharmed.”

Sanchez escaped from custody on December 20, at about 4:40 pm when he asked to use the restroom at the hospital and left through a second door. Sanchez had been remanded from drug court for failure to comply.
