

COVID-19

UPDATE

When you were asked to stay home, we stepped up. As we prepare for things to reopen, we are still here for you – just as we've always been.

Not because it's our job, but because we care.

While all law enforcement and patrol operations has continued as normal, the public is encouraged to undertake any business they may have with the Sheriff's Office remotely whenever possible. This includes taking advantage of the SO App or online reporting through washoesheriff.com and making crime reports or conducting other business over the phone if feasible to avoid having to come to the Sheriff's Office in person.

The health and safety of our community and staff members are of utmost importance. Click the link to see steps undertaken by the Sheriff's Office to help reduce the impact of COVID-19.
